A feminist and social reformer, she is best known for her short stories and novels. From 1892 to 1898, she was the school's first women's dean. Follett is a public K-12 school in the Richmond, Virginia, United States. It is part of the Richmond Public Schools system. The school provides a comprehensive and integrated curriculum in an atmosphere of academic excellence. It serves 1,215 students from early childhood through twelfth grade. This K-12 school is a college prep school, preparing students for the rigorous academic and college application process. The school focuses on technology, engineering, and science. The curriculum is designed to prepare students for a four-year college as well as the major colleges within the area. Modern technology is integrated into the daily lives of students at Follett. The school computer labs feature internet access and one-to-one computing. Many of the lessons are available online. Students use their smart phones and tablets to access this content. The school offers students broadband internet access, which allows them to access the internet during class time. Follett uses online resources like Lynda.com, Udemy.com, and Schoology.com to enhance the student's learning experience. Follett is a member of the Virginia Association of Independent Schools. Students receive a varsity letter in each grade level upon their graduation. History The Follett School was founded in 1904, as the first co-educational day school in Richmond, Virginia, by Lillian M. Parker (1866–1955), a retired teacher. She opened the school to serve young women whose parents could not afford the public schools.
