BIN FILE: Links are below.Beware!!!if you can't flash it then you will have to send it to u in 28days!!! cause we can't flash at all. so don't waste my time email mui July 14, 2016 Download Nokia 2690 flash file 10.70 for free. Download for Nokia 2690 flash file 10.70 for free. This is a new version with bugfix. When you update, your Windows Phone will try to apply the update automatically. So, if you update Windows Phone manually through Settings on your phone, you need to select "Check for updates" on your phone to manually update your phone. MORE INFO Update for Nokia 2690 is available for free download, but if you want to apply the update manually, you need to enter the "Check for updates" on your phone and select "Update in Recovery Mode" or "Update". If your phone is not connected to the Internet, you will need to enter the "Check for updates" and select "Download and Update from Sys" in Recovery Mode. Yes, this is compatible with your phone. Download the Nokia 2690 firmware flash file and flash it on your phone. You can check your phone via the on-screen instructions, or by connecting your phone to a computer and checking Device manager. Don't forget to check your phone for other updates while your phone is connected to a computer. You will get a message that "Download and Install" is complete in Windows. You can use the instructions to install the update. After the update process is complete, you will want to restart your phone. It will continue to work and you will get a notification that a reboot is needed. Your phone will restart once the reboot completes. The reboot time can range from 5 minutes to an hour, depending on your phone and the update. You can restart your phone manually or through Windows Phone settings (if you have
