I can't say I'm all that familiar with the Saw series, but this picture shows pretty much all I need to know to get the joke. I was first made aware of this song when my roommate brought it to our attention. It's by a girl named Raine Maida who has been known for doing the bing and rhyming song, "Feeling This." This is one of the better ones of the bunch. The lyrics are pretty simple, just about whatever is going through the girl's head.
