"I have read and reread the novel again and again. from now until eternity. I think it is an amazing creation! The plot, character development and dialogue, all are wonderful! 'Naalukettu' is undoubtedly one of the best novels I have ever read and to date I have read many novels! Bestseller 'Naalukettu' really comes up with a great, memorable character and story." -K.M.H.Web & Internet Marketing Professional. Read it for yourself, and I think you will agree with me. The novel is about five kavus . Jul 16, 2015 - Naalukettu (1958), one of the most popular novels in Malayalam literature and one that defines the idiom of the narrative form known as the 'racy novel'. It was the first novel written by M T VASUDEVAN Nair and published in 1958. The first part of the novel is a series of conversations between Ravi, a nine-year-old kid, and his classmates and friends at Ravi's school. There are many versions of the story. Here is one version with the elements that make this novel a classic, i.e. suspense, humour, characters
