CasaTunesSync For ITunes License Code & Keygen

CasaTunesSync for iTunes is a simple to use application, designed to help you upload your music from iTunes onto the CasaTunes music sever, and play it through the streamers, in every room of your house. Create playlists The synchronization process requires a few simple steps. CasaTunesSync for iTunes associates itself with iTunes and it is capable of recognizing the afferent libraries and playlists. It means that all you need to do is open iTunes, acquire your favorite songs and add them to a new or existing playlist. Simply click on the arrow next to the title of the song and add it to the available lists, or drag and drop it on the name of the desired playlist, from the menu on the left. Easy updating Once you have configured the order of the songs, you need to open CasaTunesSync for iTunes and click on the Synchronize button. The application detects the playlists available in iTunes and allows you to select those you wish to include in the song queue on the music server. As you open the application, CasaTunesSync for iTunes displays the date of the last synchronization and a detailed log of the actions or errors that occurred. You may view the status of the current session in the Details tab. The CasaTunes Library ID and name are automatically generated and displayed, along with the list of transferred items from iTunes. Custom names In order to perform the correct synchronization, you need to enter the name of your CasaTunes music server. Additionally, you can type the name of your iTunes library, the way you wish to view it on the CasaTunes managing device. Not only can you listen to your favorite music in CasaTunes, but you can also include MP4 files in the synchronization process. Conclusion Customize the playlists on your CasaTunes music server, with a lightweight and witty application that enables you to synchronize the song lists from iTunes with CasaTunes. The software enables you to update the easily manageable playlists from iTunes, in order to render them with CasaTunes throughout your entire house. Here is the official web site for CasaMovies We hope that you enjoy our wares.
