Add a Sansa PV port to your
Digital Camera &.1. Field of
the Invention The invention

relates to a method of etching a metal film by using a gas mixture of an inert gas and a halide gas. 2. Description of Related Art An etching method using a halide gas is widely known as an etching method capable of easily removing a metal, that is, a metal film. For example, Patent Document 1 (Japanese Patent Application

Publication No. 2011-77796)
discloses a technique of
removing a metal thin film (a
metal layer) formed on a
substrate (a metal substrate) by
mixing a gas containing a halide
with an inert gas.Q: Get "XML
Syntax Error" with Elementtree
- Inserting Element into XML
File I am adding an attribute to
an existing element (I know it

won't be the best practice but it's a test) but it keeps raising an exception called "XML Syntax Error". I've copied the code here:

```
# -*- coding: utf-8 -*-  
from xml.etree.ElementTree  
import Element, ElementTree  
from xml.dom.minidom import  
ElementTree tree =  
ElementTree()  
tree.parse("test.xml")
```

```
tree.insert("element", {"name":  
    "Sam"}),  
pos=tree.find("element").text)  
print tree.write() # -*- coding:  
utf-8 -*- import codecs import  
xml.etree.ElementTree as ET  
tree = ET.parse(" f30f4ceada
```
