## CaptionsMadeEasy CaptionSuite Activation Key

With its four applications, CaptionsMadeEasy Suite is a user-friendly suite for organizing your photos. The package includes four standalone apps for viewing and captioning your photos, as well as a user-friendly app for putting together images and displaying them in slideshow. The package installs four software solutions with similar purposes - PhotoSorter, QuickCaptions, TimeRepairer and CaptionViewer. It lets you choose which applications you want to install or not. The CaptionsMadeEasy Suite's application interface is streamlined and it is easy to use. During its installation, the package gives you the possibility to choose which apps you want or do not want to install. PhotoSorter is a useful application that makes it easy to set up the playback order of your images, by renaming them with common prefixes and suffixes. TimeRepairer allows you to add the time and date for scanned photos or simply edit the time-related information of multiple photos shot with a camera that does not support daylight saving. QuickCaptions is a great application that enables you to add captions or comments to large numbers of images within one folder. CaptionViewer is the only application from the suite that can be tried for free. It is a great app that enables you to add captions to your pictures, and to view them, play them within slideshows and change the appearance of those slideshows. All in all, it is a useful package for users who want to organize their photos with ease. CaptionsMadeEasy Suite Discounts & Coupons: The only app from the suite that can be tried for free is the CaptionViewer. All the other apps require that you purchase them, but you can choose whether you want to buy them all or try just one of them. If captions are not important for you and you just want a comprehensive suite for viewing and organizing your photos then you could give CaptionsMadeEasy Suite a quick spin and see what is what. You can download CaptionsMadeEasy Suite for free and get a 30-day trial, during which you can use the software without any limitations. There are no CaptionsMadeEasy Suite discounts, coupons or promo codes available at this time. Roses Online Flowers is the largest and best online florist serving weddings, birthday and anniversary flowers. We are offering flower delivery in the UK and all over the world, for sending flowers to Poole, Dorset, Bournemouth,

## What's New in the CaptionsMadeEasy CaptionSuite?

CaptionsMadeEasy CaptionSuite is a complete suite for viewing and organizing your photos, as well as for captioning them. A complete suite for photo organizing that packs four software components Right off the bat, you should know that the suite includes four standalone software solutions with self-explanatory names: CaptionViewer, PhotoSorter, QuickCaptions and TimeRepairer. This said, during its installation, CaptionsMadeEasy CaptionSuite provides you with the possibility to choose which components you want or do not want on your computer. All applications from the suite come with streamlined and overly-simplistic interfaces, which make it easy for you to get around them. While they do offer quick access to the applications' minimal sets of features, their interfaces are not what you would call eye-pleasing. Thoroughly organize your pictures with PhotoSorter and TimerRepairer If you do choose to install all of them, here are a couple of things you need to know. PhotoSorter is a useful piece of software that makes it easy for you to set up the playback order of your photos by renaming them with common prefixes and suffixes. Furthermore, TimeRepairer allows you to add the time and date for scanned photos or simply edit the time-related information of multiple photos shot with a camera that does not support daylight saving. Caption large numbers of photos and view them via slideshows Continuing, QuickCaptions enables you to add comments or captions to large numbers of images within one folder. The last and probably most useful software solution from the suite is called CaptionViewer and it can also add captions to your photos, but that is not all. In addition, it can also help you view your photos, play slideshows displaying the captions, dates and time the photos were taken. You should also be aware of the fact that CaptionViewer is the only app from the suite that can be tried for free, while the rest require that you buy them without the possibility of testing them. Useful suite for users who want to organize photos with ease All in all, if looks are not very relevant and you want a comprehensive suite mostly for organizing your photos then you could give CaptionsMadeEasy CaptionSuite a quick spin and see what is what. By far the most useful and versatile app is the CaptionViewer. The app can be tried for free and it enables you to add captions to your pictures and view them, as well as play them within slideshows. Full Review: CaptionsMadeEasy CaptionSuite is a complete suite for viewing and organizing your photos, as well as for captioning them. A complete suite for photo organizing that packs four software components Right off the bat, you should know that the suite includes four standalone software solutions with self-explanatory names:
