

Hello! You don't have a Vista driver for your scanner, but you can use it for Windows XP. This will also work. You can download them on the site ... and download drivers for Vista. Yes, I have a scanner. You can download this driver and use it in XP. You can connect this scanner to this computer and scan. Thank you for checking this out. Yes I did. You need to install the scanner in a USB port. Yes, right. I think I'm missing something. Would you like me to check if you need a scanner that you can scan in Vista Yes.
