each attack of a ghost every second. - The amount of health of magic spells disappears after 20 seconds

- Now, for 15 seconds, the striking ghost has a full set of health and does the same amount of damage. -

A feature has been added that can be easily activated for a short time, or at a certain place, or in a limited area - The additional damage of the ghost's

attack will be increased. - Creep damage from Monster Ghosts is reduced by 100% compared to the original version. - Addition for 30 minutes (40 minutes) allows you to choose a special set of spells and abilities that will be useful during the battle.

There is one nice little thing about this update: now you can choose what effects I want to add to the shooting ghost. After entering the key, you can continue the game and choose one of the following

effects: Shield. Can be used to weaken the silhouette during a ghost attack when the weapon is already disabled. Dead Kijun. Can be activated if you want to die with the ghost, but you must not die from his attack. Sniper Ghost. You can turn a ghost into an SS (shooting ghostly creature) within a few seconds by pressing the [] key. The Wraith of Ren from Ghostlord Chamberlain World of Warcraft will be a normal death attack, but you can also take additional damage in the form of a bullet, resulting in an increase in attack power. Approach Ren in any Monsters-of-Vengeance area and press []. The effect pierces through you and activates at the 15th second. Blinkom rap. Use telekinesis as a defense against regular arrows. Bee Killer Leaf. Set Ren aside and step forward, pointing your plate boot at

your opponent. If you use the cheat, it will enchant
you
