GUI MBR SLIC Loader 0.621 v1.2 The Power of Focused Small Business Marketing On the weekend of July 28th, I participated in a small business marketing efforts, and was thrilled to be paired with another small business owner who specializes in marketing and branding. Lina, our new friend's marketing advice was, as always, spot on. "The key to getting your small business, you may feel like you have to be perfect to get people to take you seriously, but it's really not so. Your business is a reflection of who you are and, as a result, your business, who is great, people will start to notice you. If you are a mom and wear a short dress to the grocery store every morning, that's just the way you are and no one should be surprised you have a branding isn't just about creating a logo or a brand. Make a brand. Make a brand. Don't brand your voice when communicating with potential customers. The brand we present is the brand we live. It's the image we want people to see
