## **Features Key:**

- 22 new authentic leagues and kits! Ultimate Team – Build your Ultimate Team from your favorite players in FIFA Ultimate Team or become a football pro in FIFA 22 – be the ultimate football role model.
- FUT Draft – Play daily in a revamped visual draft mode that automatically distributes players to draft slots based on your draft history, all from the comfort of your couch.
- Pass the Ball – Play the passing styles and tactics that suit your play style. Play multiple styles at once and use your preferred method to push the ball as quickly as possible.
- Intelligent Connections – Real football at your feet. Watch carefully and your players make the right moves to deliver the right pass on the run or volleys it into place at the right angle. Individual Attacking Intelligence helps your player make the right run through the penalty area.
- Explosive passes and counter-attacks – Play your precise pacey game. Match the movement of the opponents to maximize the distance and speed of your pass. If they press you back, launch a counter-attack as your players recover.
- FIFA Pass Virtual Trainer – Train your passing with over 60 events that will improve your game. Virtual Training Room, new Playmaker’s Tutorials, and even online competitions to test your skills.
- The Ref – New attacking animations and tactics that make AI keepers work harder and regain possession more intelligently. AI Keepers sense danger in the air from your intended pass before it reaches your team, or at least notice if the right corner flag is covering the ball before the whistle.
- Total Referee - See the whole thing with all 12 assists, red & yellow cards for the smallest of infringements, never miss a foul again, and accurate timing of VAR.
- Hand-of-God Disciplinary System - VAR watches your offside from every angle, so your player’s will never be let off the hook from using too much force. Hand of God VAR will automatically decide if you receive a disallowed or a straight red if a particularly violent action is detected.
- Level-Specific AI behaviour - Players learn to adapt when under pressure and not to risk losing their concentration. To reinforce this, you will not be counted offside against an opponent back line with no supporters, unless they perform a card stunt.
- Interactive Corner Flags - Corner flags react

Compete against your friends and the community to see who has the biggest and best collection of licensed players, and then use those players to dominate your rivals in FIFA Ultimate Team. Every player has a unique attributes and skills that affect how they can be played and which tactics you can use to maximize your overall performance. In addition to the traditional football skills, you can earn cards with special powers that can be deployed in the field to score goals, defend against rival players, or even to make the difference in a game-defining goal. Recommended for: FIFA fans of all ages and skill levels. Play solo or compete with friends over Xbox LIVE against or against the community. to your meals and nutrition. 12. Self-Pity Self-pity is when you blame yourself for a situation that happened to you, or because of someone else. It's a common concept in the world, but you need to stop it. When you start blaming yourself for everything that is going wrong, you're not making positive change. There is nothing you could have done about everything going wrong, and it doesn't matter if it is a big or a small issue. Never let

---

yourself off the hook. However, once you realize that you can't change the situation, you need to learn from the experience. That is where the self-pity steps in: blaming yourself and telling yourself you shouldn't have lost, or learning that this was a good or bad situation, and you could've used it to your advantage. This happens when you are getting into areas of your life that you can change, and you need to accept that you can't and move on. For example, if you are an entrepreneur, and you've struggled with networking, then you're going to blame yourself for having no contacts or getting no attention. You need to learn to look at what you can control, and see opportunities. "There is always something you can learn from every experience you have, but you have to stop feeling sorry for yourself." -Bob Proctor If someone is always complaining, or blaming others for their situations, then you need to know that you don't have to be that person. It's ok to take your situation, and learn from it. This doesn't mean that you
