Click to read the news. The power of books can change lives, and when readers enjoy a story as much as they do, books touch everyone around them. Our hope is that with the support of wonderful publishers, distributors, authors, and booksellers, the future holds many more opportunities for a lifelong relationship between books and their readers. At J. London Books, we want books to stay in the hands of readers. By making our books as affordable as possible, we believe that more readers will read for more reasons. We know how important it is to be able to buy an appropriate book at an affordable price, and that's why we are committed to making books affordable. At P. D. C. Heath, we're dedicated to a specific belief: that books and people are closely connected. For more than 200 years, we've been making the written word more accessible to all readers. As we continue to do so, we hope to bring a unique understanding of books and books and people to the world. At Baker & Taylor, we're passionate about books and their influence in our lives. Through retail, digital and advertising, we're committed to bringing the best, most engaging literature to readers around the world. For more information on J. London Books, P. D. C. Heath, and Baker & Taylor, please visit the websites for each listed above. Thank you to our authors, colleagues, and our Publishing Industry Relations team for helping to make these three deals possible. As a diverse group of authors, publishers, and companies, we share a common passion for connecting books and people around the world. Your library provides an invaluable resource for people around the world in need of information. Your investment in books and book collections is an investment in the world. We thank you for your support. Download the iPhone app! Now featuring bar codes and an easier, bar-less interface!. Brick by brick, she built a life for herself and a home, but it wasn't until the madness started to spread that she realized she couldn't go back. She fought to survive, and she won. Teon's long held designs are coming to fruition, and now she will have the means to wipe out the growing population. But first, it's time to finish the job. As Maia's world crumbles around her, she can't help but wonder. Whether it's in the comfort of her own home or in the depths of the dark reaches of our planet, she has one
